

# Lake County Honor Flight #15 Departure

Thank you to all of you that came out to support our veterans to escort them from North Chicago to the Milwaukee airport. The support for Lake County Honor Flight (LCHF) is growing, as we continue this effort. Three Corvette Clubs are now involved with a fourth to join in August of this year. The veterans certainly deserve our support. On Friday morning, April 26, 2019, we had 9 enthusiasts, in 7 Corvettes, from NSCC and [CNCC](#), show up in North Chicago at 3:45 in the morning. Or, as one member calls it “Oh-dark-thirty”. Along with several law enforcement vehicles and around 10 motorcycles, we escorted the 23 veterans, 23 guardians and LCHF staff to Milwaukee airport.

Tom White, Jim Barnich, Mark Hall, Linda Barnich, Marshall Loeb, Carol & Charlie Harrell, Jim Benton and Daryl Ullberg.

From the time we left North Chicago to when we entered the airport, we did not stop for anything, not once. It’s quite an experience just to be in the escort. After the escort, we enjoyed a nice breakfast at [Oak Creek Diner](#). I encourage anyone, veteran or not, to join us in the future. See all [pictures](#).
