(page 1 of 2)

Thank you to all of you that came out to support our veterans to escort them from North Chicago to the Milwaukee airport. The veterans appreciate all the support for Lake County Honor Flight (LCHF) that NSCC has provided. Three Corvette Clubs were involved in the escort on Sunday, April 28, 2019. In the procession there were; 25 law enforcement vehicles (cars and motorcycles), 20 motorcycles, and 11 Corvette owners in 7 fiberglass and 1 *metal car*, from North Shore, [Chicagoland North](#) and [Sunburst](#) Corvette Clubs. The veterans, they have said, could not ask for a better organized and rewarding outing from LCHF. I encourage anyone, veteran or not, to join us in the future. I can't stress enough what an experience it is just to be in the escort. [Click here to view the names of the veterans that were on Flight #15.](#)

I met a couple, Ellen and Bill Johns (see below) at the airport in Milwaukee. Ellen's father, Fred Cnota was one of the 23 veterans on LCHF #15. I asked them if they would like to join us in the escort back to North Chicago. They agreed and I showed Bill, who parked in the airport garage, where to move their car, near the Corvettes. When I saw them again in North Chicago they said it was a very rewarding experience, knowing that all the effort is made for 23 veterans.
