

Feed My Starving Children

There were 26 people who attended the Feed My Starving Children (FMSC) packing event on Friday, May 3rd, 2019. This included 2 guests; Nicole Bakirtjy and Susan Rabins. Willie Smith, one of our newest NSCC members, also joined us.

The whole group packed a total of 113 boxes. That's 24,408 meals, or 66 kids fed for an entire year. We weren't all in a group together but there was still lots of fun and competition. It was a very lively evening.

There was another large group at FMSC. A ten year old was celebrating her birthday and didn't want gifts, but instead chose to invite friends and family to help out at FMSC. They had lots of energy.

Once we were done with our packing, most everyone headed over to Culvers for food and of course ice cream. It was very, very busy and lively at Culvers because we shared space with the birthday group.

Thank you to everyone who was able to come out and help with this event.
