

Fall Color Run 2018

Another great trip to the Hidden Valleys of Wisconsin! Sixteen people in eight beautiful Corvettes caravanned on local roads heading West to Potosi, WI where we enjoyed a tasty lunch and interesting exhibits at the Potosi Brewing Company.

Next, we traveled to La Crosse for a 2-night stay. At Grizzly's, we enjoyed a wide menu in a private room for dinner. We prepared for the next two days of wonderful "squiggly" roads in SW Wisconsin.

Saturday morning, we joined 204 Corvettes at Rowe Park in Onalaska where we lined up for the cruise snaking around the beautiful hills.

We did about 85 miles to the lunch stop in Richland Center which is always amazing feeding 400 people about 1 hour. Then it was another 75 miles of rolling hills back to the hotel to rest until dinner.

We met Phil Murray and enjoyed catching up with the former NSCC member at Drugan's Castle Mound Restaurant set on a lovely golf course. Once again we had a private room and enjoyed a relaxing evening with great food!

Sunday morning six cars met for the traditional small road route back to Chicago with a stop at the infamous Sunrise Orchards. After enjoying goodies at the orchard and loading up our cars with lots of delicious purchases, we enjoyed some aggressive squiggly road driving taking us to Mazomanie and the Old Feed Mill for an old-fashioned Sunday brunch.

Some of the NSCC members were veterans of the Fall Color Run including Jim & Terry Arquilla, Larry & Becky Latko, and Clark & Martha Briggs. We also enjoyed having a few new people join us including Walt & Anne Hoepfner, Chris Jentel & Linda Johnson, Sue Radder & Shirley Traeger, and Daryl & Renee Ullberg. Thank you to Clark and Martha for taking on the task of "caboose", an important role on any trip. It was our pleasure to travel with all of you and look forward to future cruises together.

Enjoy! Ed and Barb Harms
