

## **Autocross – South Bend, Indiana**

### **October 4, 2014**

Seventeen racers faced temperatures in the 40s with wind and rain at the Tire Rack on October 4<sup>th</sup>. Being the tough Chicagoans that we are, the racers braved the bad weather and pushed their cars to the limit - sometimes taking out cones but surprisingly not going off track. Luke Pavlick from the Tire Rack arranged a technically challenging course which was met with approval from the racers.

We had four novices with us. Chuck Peterson, Victor Dobrogowski, Izell Leneau and Robert Finstad (Cindy and Rich's son). Although most racers course times climbed with the rain, Robert made his best run in the inclement weather. Perhaps he can share his secret with us. 😊 The Novice trophy went to Izell – nice job!

The racing season has come to an end. The equipment has been stored away and the cars will soon make their way to storage as well. We bid adieu to the 2014 racing season and look forward to racing next year.

Thank you to all who participated in the October North Shore Corvette Club autocross.
