

# Wisconsin Supper Club Tour Benedetti's May 18, 2019

Ten members (in four Corvettes) and two guests met at [Benedetti's](#) in Beloit, Wisconsin for a nice dinner on a Saturday evening. Renee and I started out and met Ron and Gayle at the Lake Forest Oasis around 3:15 PM. We headed North on I-94 and met up with

Jim, Linda, Jim and Terry on Highway 50. John and Nancy met us at the restaurant, along with our two friends, Sharon and Naomi. If you read the May newsletter, we stayed with Sharon's mom, Shirley, in Venice, Florida

(where Renee drove the golf cart). The hour and a half or so drive was uneventful. There was plenty of parking once we arrived. Once inside, the conversations flowed. Everyone was pleased with the food and the experience. Some took home leftovers at the end. Something I had never seen before was the brandy alexander that was ordered. It was

made with ice cream, so they brought out small dishes and spoons. It was almost 12 inches high. Just about everyone had some, there was plenty to share. Where to next???
