

Cruise over in your
Vette to a Cruise
on the Chain!

On Sunday July 28th seventeen Club Members and seven friends cruised on over in their Corvettes for a boat cruise on the chain. We met at the Snuggery in McHenry, IL for an early lunch then boarded the Margaritaville Rum Runner 51 foot boat for a two hour cruise down the Fox River. Even though the weather was a little cool, it didn't spoil our time aboard. Thank you to all the club members who participated and made this trip a cruise to remember. A special thank you to my co-host Jim Benton for helping me host my first event.
