Our plan is to leave the Hinsdale Oasis on, I- 294 S at 7:00 AM to caravan to the event, it's about an hour drive from Oasis.

We should arrive by about 8:00AM, when the gates open, and find our spot.

You must bring your own chairs for the event, it is on an airstrip, no seating is provided.

I will bring a pop-up tent for some shelter if needed.

I would suggest bringing a cooler with some food and your favorite beverages, maybe a hat and some sun lotion (lots of sun hopefully)

There will be food trucks selling food.

Parking will be in the grass on north side of the runway.

We can leave as a group or on your own, your call.
