

A wonderful day for a cruise...

On Sunday, June 25th, 9 shiny Corvettes and 18 enthusiastic people met at the Wisconsin Welcome Center to start off on a 2 ½ hour cruise thru beautiful countryside with sunshine and 70's making it a perfect day to enjoy our fiberglass!

We took in sprawling farmland and thick woods with quaint towns along the way keeping it interesting as we twisted and turned along the county roads. Our destination, Crandall's Restaurant in Hebron IL, known for its "world famous broasted chicken" was new to most participants. We each made several trips to the Sunday brunch buffet with several entrees, a salad bar and an extensive dessert bar. I do believe that everyone thought the chicken was the highlight and well worth the trip with the dessert bar coming in a close second.

Thank you for traveling with us...we look forward to our next cruise together.
