

CRANDALL'S
SUNDAY BRUNCH CRUISE

June 25, 2017

Itinerary:

Meet at the Wisconsin Welcome Center on I-94 at the Lakeview exit #347 just over the WI border.

Driver's meeting at 9:15 am

Don't forget your FRS Radio - Channel 11

Follow back roads making a NW loop thru Rochester, Sugar Creek and up to Kettle Moraine State Park. We'll proceed back down thru Whitewater and Delavan where we head East to Rt. 120 and South to our final destination.

Enjoy a fabulous buffet including classic breakfast items, salad bar, a generous selection of meats and side dishes including Crandall's famous broasted chicken all topped off with a scrumptious selection of desserts.

A private dining area and separate checks makes this a great group destination.

This cruise is 105 miles of lovely Wisconsin roads which will take about 2 1/2 hours.

Return to the Chicago area on your own.

Crandall's is 1/2 mile North of Rt. 173, 25 miles West of I-94
