Cruise to Milwaukee

We had the perfect weather day for our cruise to the Miller/Coors Brewery in Milwaukee, Wisconsin. Twenty-four of our club members took the back roads from Kenosha to Milwaukee where we took a private tour of the Miller/Coors Plant. We got to sample three different beers in the Miller/Coors beer garden. Then we cruised over to the Potawatomi Casino for a buffet lunch with a semi-private room reserved just for us. Some of us tried our luck at the casino before heading home.

Thanks to all that joined us on our Miller/Coors cruise and special thanks to Jim Benton for helping me once again host an event.
