EAA Aviation Museum

October 23, 2021

Join Daryl and Renee Ullberg on Saturday, October 23, 2021 for a road trip to Oshkosh, Wisconsin to visit the [EAA \(Experimental Aircraft Association\) Aviation Museum](#).

The museum has a collection of over 200 historic airplanes along with world-class galleries and displays. If we have at least 10 participants, we will have a docent led tour of the museum, along with discounted (\$9.50) admission price. Regular admission cost to the museum is:

Adults (19+) - \$12.50

Seniors (62+) - \$10.50

Veterans, Active Military Personnel, and Spouses - \$10.50

EAA Members - FREE

After our museum visit, we will take a short drive to a local Oshkosh restaurant, [Gardina's Kitchen & Bar](#). Following lunch, we will take a drive to [Kelley Country Creamery](#) in Fond Du Lac, Wisconsin, for an ice cream delight. Kelley's makes old-fashioned, premium ice cream crafted in the Creamery on their dairy farmstead.

We will meet at 7:30 AM at the Kenosha Area Visitor Info Center, 10519 120th Ave, Pleasant Prairie, WI 53158 (I-94 exit 347). We will leave PROMPTLY at 7:45. Don't forget to bring your FRS radios. Please confirm ASAP to set up a group tour of 10 or more.
