

WHAT A GREAT DAY!

We sure set a new record for heat and humidity this year, but it didn't stop 148 people from bringing a beautiful selection of vehicles for everyone to enjoy! Enthusiasm was high throughout the day as we admired the cars, won door prizes, took chances on our favorite raffle items and drank gallons of water!

We'd like to give a big shout out to our sponsor, Libertyville Chevrolet and Performance Center, for their continued generous support of the show. They provided the beautiful flyers to advertise the event, paid for the trophies and t-shirts, and donated 4 large raffle prizes. Also, they gave a huge amount of support with set up on Saturday and at the show Sunday...it is appreciated!

BBQ Productions did a great job of keeping the food and beverages coming in challenging conditions...can you imagine standing over that grill? Also, Scoops ice cream was a busy spot as we enjoyed cooling off with his specialty...root beer floats. Thank you to you both.

The Raffle was huge this year with 66 prizes of all types. We had car care supplies, restaurant certificates, hand painted items, beautiful baskets, racing ramps, brewery tours and many gift cards. The Door Prize booth was busy as well with 102 prizes for the participants.

A total of 62 NSCC members donated their time to make the show a success! The car show committee with 19 leaders started meeting in February to plan the event and several chaired work stations at the event. In addition, 41 members came to work on Saturday or Sunday or both! A total of 462 Crossed Flags Participation points were earned this year.

The show included 98 Corvettes, 7 full-size Chevys, 7 Camaros, 2 Chevelles, 2 Novas, 2 custom Chevys, 3 Trucks, 1 Street Rod, 9 Special or Other vehicles and 17 Display Only. A total of 47 vehicles were brought by NSCC members, earning 66 members 332 Crossed Flags Participation points.

We couldn't have done it without each one of you who worked and participated. Thank you!
