

Our Go-Karting event at K-1 Speed with the Chicagoland North Corvette Club took place on Saturday, February 18. It was a very enjoyable evening. North Shore Corvette Club was definitely outnumbered with racers and spectators but that didn't dampen our spirits. Our Club came away with all three trophies in the overall racing for the evening. John Harms (Ed and Barb's son) took 1<sup>st</sup> place, 2<sup>nd</sup> place went to Ed Harms, and 3<sup>rd</sup> place went to Daryl Ullberg. Of the total 15 racers from both clubs, our racers were Ed Harms, Daryl Ullberg, John Harms, Steven Harms, and Susan Harms. Pam and I had planned to race but due to the limited number racing spots available and the number of people that showed up for Chicagoland North Corvette Club, we chose to eat, drink, socialize and watch. We had 18 people sign up to either race or spectate but only had 10 (+ the extra Harms family members) show up for the event. It was a bit disappointing, but our racing expertise prevailed. Susan and Doug from Back Road Cruisers were in town and stopped by the event to fill us in on their upcoming events. Mark Hall, President of Chicagoland North Corvette Club, presented our Club with the trophy they had made up for the evening. It will be displayed in our display case until the next Go-Karting event between us.
