

Go-Karting at

**Monday - March 25, 2019**

The third and final go karting event of our winter season is in the books and everyone could start concentrating on our own go kart, our Corvettes. Three members also drove their Corvettes to the event, Eric, Larry & Dottie and Frank. Eleven members came out to participate, with ten of them racing. There were also two guests that joined in racing. There were a total of five races that were run.

In **Race 1**: Tom Arvidson was first, Nick Choukas (guest) was second and Dave Zilligen was third. Debbie Monnier beat out Gale Egle in the ladies category. Jared Zilligen , Dave's son finished fifth.

**Race 2**: Bob Goldberg beat out Frank Punzio and Ed Harms, who finished second and third respectively. Eric Kirchner and Larry Bakirtjy, not far behind.

**Race 3**: There were two less racers this time around, with the women spectating instead of racing. The finishing results in order are, Nick, Tom, Dave and Jared.

Go-Karting at

**Monday - March 25, 2019**

**Race 4:** The same racers as in race 2, just a slight difference in the order. Frank came in first and Bob second and the others finished in the same order as the initial race.

**Race 5:** Only two members decided to race a third race, Bob Goldberg, first place and Ed Harms, second. With a very open track both racers bettered their times and never really saw each other racing.

So for the final race results, Bob Goldberg came in first, 19.211, Frank Punzio second, 19.402 and Ed Harms in third, 20.082. Ed was 82 thousandths of a second off making it to the 19-second threshold, wow.

Thank you to all the members for participating in the go karting series and I hope everyone had a good time.
