

Gus's Drive In

Saturday, July 25

Join Daryl and Renee Ullberg on Saturday, July 25, 2020 on a road trip through the back roads

of Illinois and Wisconsin. The event is about the journey, not the destination. At the end of the drive, the location for lunch will be:

[Gus's Drive In](#)
[3131 Main St. East Troy, WI](#)

Gus's is a car/motorcycle themed restaurant. Seating is not allowed inside, but the restrooms are open inside. Ordering food is done outside and the staff brings it out by calling your name. There is covered and uncovered seating outside. If you have chairs, please bring them. I have been there twice recently, and it hasn't been an issue. You never know when a group shows up and enough tables may be unavailable. Bring your masks, keep your distance, COVID-19 is still an issue. If not for you, for someone you may come in contact.

We will meet at 10:40 AM at our house, 22991 N Prairie Lane, Prairie View, IL. It's about a mile and a half from Blackdog. We will leave at 11:00 AM. When you arrive, park facing North as that is the direction we will be leaving.

It will take almost 2 hours to get there. A rest stop is planned after one hour.
