

## High Mileage Award Rules

#1 - This event is for your Corvette(s) only.

#2 – A certificate will be awarded to the winner of each generation of Corvette. There will be one special award given to the member with the highest mileage of the year.

#3 - The timeframe for the award will be from the January General Membership Meeting through the December General Membership Meeting. The speedometer **must be certified** by one of the designated committee members/certifiers at **your start and end dates**. There are two ways you can certify your speedometer: at a general membership meeting or by bringing it to one of the certifier's homes. Photographs or videos will not be accepted. The winner will be determined on the **total number of miles** put on your Corvette for that year. For example, the miles will not be broken down by the number of months, days, hours that the car was driven. It will not be prorated; the contest runs the entire time.

**Note:**

**THIS YEAR, 2017, THE CONTEST WILL RUN FROM THE APRIL GENERAL MEMBERSHIP MEETING THROUGH THE DECEMBER GENERAL MEMBERSHIP MEETING.**
