

# Hofbräuhaus November 10, 2018

The Annual [Hofbräuhaus](#) event was attended by 25 members. We all enjoyed a delicious German dinner. Many of us enjoyed steins of German beer. Four members received shots of Jaeger from their friends, which came with a special paddling surprise, compliments of the German waitresses! Four members participated on stage in the stein holding contest.... Brett and Frank Punzio were the last two standing and Frank took 1<sup>st</sup> place! Lots of singing, toasting and dancing on the benches made for another fun and entertaining North Shore Corvette Club outing! John and Nancy want to thank all who attended to make this a successful night out with Corvette Club friends.

**Live your life. As you grow old, the only things you regret are the things you didn't do.**
