

## The Spot Ice Cream Social June 29, 2022

It was a beautiful night to have ice cream, with blue skies and warm temps. Twenty-one cars and 37 members came out to enjoy each other's company and a delicious frozen delight. It was like a mini car show in the parking lot!

Members found a number of whimsically named ice cream flavors and enjoyed reading the labels which showed the ingredients. There was quite a variety of flavors and names, from the typical, Chocolate, Vanilla Bean, and Butter Pecan to the amusing, Fat Elvis, Exhausted Parent, and Kitty Kitty Bang Bang, to name a few. It was hard to pick a flavor!

We also had two non-member visitors to the event!
