

# Illinois Railway Museum's 31st Annual Vintage Transport Extravaganza

Will be held on Sunday, August 7, 2022

from 10:00 AM to 6:00 PM

If you are not planning on joining NSCC at Road America, you might want to consider joining us at the Illinois Railway Museum.

In addition to some 500 antique vehicles that will be on display, the museum will be operating a variety of special equipment the day of the event. Frisco 2-10-0 1630 will be in operation, as will the *Nebraska Zephyr* and historic electric trains from the Chicago Aurora & Elgin and Chicago Transit Authority. Streetcars including 1906 "Matchbox" 1374, "Green Hornet" 4391, and an open car from Veracruz, Mexico will carry passengers on the streetcar line.

Antique cars from Model T Fords all the way up to 1990s sports cars will be on display alongside historic motor buses, trucks, electric trolley buses, and military and other vehicles.

The Museum is located at 7000 Olson Road in Union Illinois. We would meet at the Mariano's parking lot at 450 W. Half Day Road in Buffalo Grove (at Rt. 83) at 10:00 AM and leave at 10:15. We should arrive at the Museum by 11:30 AM.
