NORTH SHORE CORVETTE CLUB'S K1 Speed Go Karting Event #2

Tuesday, February 25, 2020

Despite the threat of severe weather, the showing of members and friends really made this event special. We did 3 races, all with one group of racers. There were a mix of drivers all running together. Experienced racers like Bob Goldberg and Larry Stein, first and second place respectively in the first and last race, battled with novice Susan Rabins, in her first go kart race. I gave her kudos, she did very well. I think she liked it. In the second race, Bob and Larry swapped places for first and second.

NORTH SHORE CORVETTE CLUB'S K1 Speed Go Karting Event #2

Tuesday, February 25, 2020

As usual the racers had their fans up in the sky box cheering them on. There were 9 racers in the first race, 8 racers in the second and 6 in the third and final race. There will be one more go karting event in March, on Monday the 23rd, at 7:00PM.

For those that are sitting on the fence about go karting, please give it a try. The more people we have, the greater the chance of splitting up the groups. K1 Speed always likes to group the same driving level people with each other. But, as this event proved, we can all run together and have a lot of fun. We always race with our members, so you will know everybody

on the track. Plus, you may never know if you like it.
