

# Lake County Honor Flight Fundraiser At Culver's May 7, 2019

Thank you to all of you that showed up on a Tuesday evening in May to support [Lake County Honor Flight](#) (LCHF) by having dinner at [Culver's](#) in Libertyville.

Six locations participated in the fundraiser for LCHF. Ten NSCC members showed up, along with two guests from Ron and Gayle's train club. Four Corvettes were out in the parking lot for the event. We had a good time eating and talking for hours

about various topics; Hawaii, Florida, Chicago weather, NCM Bash this past April, the upcoming C8 Corvette and many others. I spoke to one customer who was there with his veteran father-in-law. The veteran had not signed up for an Honor Flight and was not familiar with the program. There was LCHF literature in the front, so I handed him an application and brochure. Hopefully he will sign up. It's a very rewarding experience for veterans.
