

Lake County Honor Flight #12

Thank you to all of you that came out to support our veterans to escort them to and from the Milwaukee airport. NSCC's support for Lake County Honor Flight is growing, and I hope it will continue. The veterans certainly deserve our support. On Friday morning, April 27, 2018, we had 9 members in 6 Corvettes show up in North Chicago at 3:45 in the morning. Or, as one member calls it "Oh-dark-thirty". Along with about 30 motorcycles and many from law enforcement, we escorted the 23 veterans, 23 guardians and LCHF staff to Milwaukee airport. From the time we left North Chicago to when we entered the airport, we did not stop for anything, not once. NSCC member Pam Buckle (pictured below with her veteran) volunteered to be a guardian on LCHF #12. It's quite an experience. I encourage anyone, veteran or not, to join us in the future. See all [pictures](#).
