NEW YEAR'S DAY BRUNCH

January 1, 2024

REVIEW

Twenty-one folks joined the Stockmans for brunch on New Year's Day. We met at Brunch Factory in Riverwoods for a delightful brunch. There were even two Corvettes!

The food was very good and the portions were generous. Our server handled the entire table amazingly well. And we never felt rushed. Everyone had a good time.

We would like to thank those who came and brightened our New Year's Day. We apologize for the short notice. Here's hoping that even more of you will join us next year.
