**March 2020**

***Eric Kirchner***

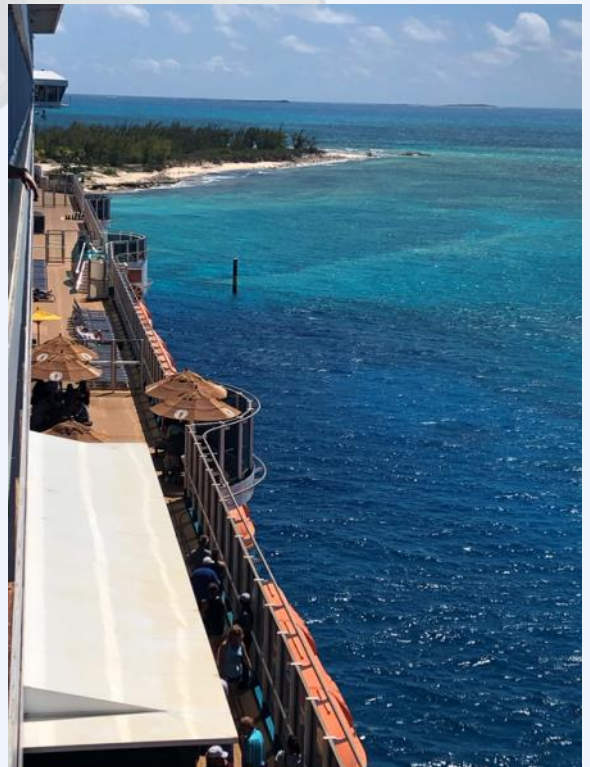

How far away is spring? Can't wait for it to get here, how about you? Getting your Corvette ready to hit the road? Mine will need a severe cleaning to get winter off of it.

The last go carting event was almost canceled due to snow, thank goodness it passed us by. Those weather folks really need to get their s\*\*t together. Grease the play was a big hit. After play dinner at Jamisons was also very good. Speaking of eating. The Duck Inn, a Wisconsin supper club, was a winner. A nice drive through the country side. Then a very good, filling meal. Thanks Daryl for organizing those supper club events.

Sorry for the lack of last months membership meeting. A miscommunication, caused the problem. We are definitely keeping our eye on the ball so it doesn't happen again.

Once again, please check NSCC website to see future events. Lots of fun stuff to participate in on the horizon. Teaser, auto cross in July.

My mind is really not on writing this article, sorry. As some of you know, those of you who are friends on Face Book. I am on vacation. So I will close this with a picture of Grand Turk island. I'll be back soon enough. See you at the next NSCC event.

# Wisconsin Supper Club Tour The Duck Inn February 15, 2020

February is still cold, even if the sun was out. The temperature was 33, but, with the wind, it felt more like 20-25. Brrrr. Nine members; Daryl and Renee Ullberg, Marty and Mary Reading, Burke Oehrlein, Ron and Gayle Althardt, Gale Egle and Eric Kirchner, met at the Lake Forest Oasis around 3:50

PM. The lone admiral blue Corvette led the way for the other four *metal* cars. Burke thought about driving his Corvette but wasn't sure if it was going to snow. We drove North on I-94 and exited West on WI Hwy 50 and headed West to Rt 12 on our way to [The Duck Inn](#) in Delavan, WI. The ride was uneventful until we got to within 15 minutes of our destination. The road was sporadically covered with blowing snow near the open farm fields. Good thing other vehicles had made tracks in the snow. It was a bit of a challenge in a Z06, even with all season tires. All in all, it was a pleasant hour and twenty minute drive.

(Continued on next page)

# Wisconsin Supper Club Tour The Duck Inn February 15, 2020

We met the other eight members at the restaurant: Brett and Pam Bacci, Al and Shar Wayman, Diana and Skip Gallagher and Walt and Anne Hoepfner, for a total of seventeen for dinner. Our server, Connie, did a great job. By herself! Several appetizers were ordered and a variety of entrees:

prime rib, chicken, ribs, filet mignon, duck and even a goose. One of the owners, Jeff, and our server, Connie, signed our Supper Club book.

Everyone enjoyed their dinner, with many to-go boxes with the leftovers.

This was the first Supper Club event of 2020. We hope to have many more. You are more than welcome to join us next time.

## NORTH SHORE CORVETTE CLUB'S K1 Speed Go Karting Event #2

Tuesday, February 25, 2020

Despite the threat of severe weather, the showing of members and friends really made this event special. We did 3 races, all with one group of racers. There were a mix of drivers all running together. Experienced racers like Bob Goldberg and Larry Stein, first and second place respectively in the first and last race, battled with novice Susan Rabins, in her first go kart race. I gave her kudos, she did very well. I think she liked it. In the second race, Bob and Larry swapped places for first and second.

## NORTH SHORE CORVETTE CLUB'S K1 Speed Go Karting Event #2

Tuesday, February 25, 2020

As usual the racers had their fans up in the sky box cheering them on. There were 9 racers in the first race, 8 racers in the second and 6 in the third and final race. There will be one more go karting event in March, on Monday the 23rd, at 7:00PM.

For those that are sitting on the fence about go karting, please give it a try. The more people we have, the greater the chance of splitting up the groups. K1 Speed always likes to group the same driving level people with each other. But, as this event proved, we can all run together and have a lot of fun. We always race with our members, so you will know everybody on the track. Plus, you may never know if you like it.

## Safety Tip of the Month by Jerry Mulick

### FIGHTING THE FLU AND OTHER VIRUSES

1. Clean and wipe down shared surfaces such as counter tops, doorknobs, keyboards, and phones. Some viruses can live on surfaces for up to 48 hours.
2. Avoid touching your mouth, nose and eyes and be sure to wash hands thoroughly often.
3. Get plenty of sleep and stress less. Meditation, laughter and exercise help handle stress.
4. Try to avoid people who are already sick and stay home if you become sick.
5. Eat healthy foods to build up your immune system, and drink plenty of water to stay hydrated.
6. Exercise moderately to maintain a healthy immune system.
