The President's Message

Tom Arvidson - President

July 2022

by Tom Arvidson

OUR LIFE IS A GIFT

The recent 4th of July weekend started off with a phenomenal parade in Arlington Hts sporting 21 Corvettes driven by NSCC members and friends. One of the larger parades in the suburbs, Arlington Hts had record spectators all cheering on America's favorite sports car.

Before we could commence the Mt Prospect Parade, we heard of the tragedy in Highland Park. Our thoughts turned to those expecting to enjoy the Highland Park Parade and now were facing the worse day of their lives. Life is a gift. You never know what each day will bring.

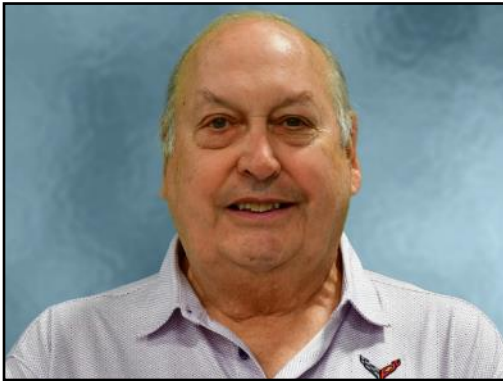

I encourage you to hug your families and enjoy your time with them . Our hearts and prayers go out to those affected by July 4th and those of you with family and friends close to the tragedy.

We can keep smiling and enjoying the ride but keep heads up and your hearts open for all who need you.

Safe travels.

Tom

Enjoy the summer with your Corvette

With all the activities that are available for our members we want you to get out and enjoy the summer and fall and take advantage of the beautiful weather. Trips, socials, racing, car shows, and many get-togethers are listed on our activity sheet. Life and enjoyment with family and friends is so precious as we all have noticed our time should be enjoyed as much as possible.

The NCM has some great trips planned for summer and fall, so please take a look at them on page 11 of this newsletter.

Planning has just started for our 49th Annual Awards and Banquet for our club which will be on January 21, 2023. We welcome any members to sign up for help on the Banquet Committee. As in the past it is a big activity and we can use the help from any member. If you would like to join the committee please call or email Jeannie Domerchie or Felicia Mulick. They are the hosts for this banquet.

Jeannie Domerchie is at ejshound@hotmail.com 847-662-5697

Felicia Mulick is at feliciajm@aol.com 847-682-4375

Planning starts in August so if you can help please give them a call.

If any member has not paid their dues please do so ASAP.

Have a great summer and enjoy your friends and your Corvette.

Jerry

Safety Tip of the Month

Ken Such - Safety Chairman

July 2022

by Ken Such

The Wrath of Summer

Things to watch out for!

H
A

- 1) **Insects-** Mosquitoes and other insects are attracted by scented soaps, perfumes, and hair spray. Also avoid areas of standing pools of water – check areas around the house. Do use bug spray with Deet at 10% to 30%, but not on infants younger than 2 months.
- 2) **Hydration-** Drink water at least every 20 minutes. If active for more than an hour hydrate with drinks containing electrolytes. The signs of heat exhaustion are pale and clammy skin, profuse perspiration, rapid pulse, headache, and nausea. Heat Stroke signs include the same as exhaustion also include confusion, difficulty talking or walking. Severe condition would be unconsciousness. With both symptoms call 911 and move person into shade or cool place.
- 3) **Bad Plants-** Stay clear of poison Ivy and poison oak. A book on bad plants is good to carry with you while hiking and a first aid kit as well. Typically calamine lotion works on the itching, but call your doctor if it becomes severe.
- 4) **Sun Protection-** Sunscreens help prevent sunburn with SPF of 15 or higher. Rule of thumb is enough sunscreen to fill a shot glass and re-apply about every 2 hours while in the sun. You can increase your protection by wearing a hat with a least a 3-inch brim all around.

STAY SAFE THIS SUMMER

NEWS FROM THE NCM

Upcoming Museum In Motion Events

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky—the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places—including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center and Pratt & Miller.

It was a beautiful night to have ice cream, with blue skies and warm temps. Twenty-one cars and 37 members came out to enjoy each other's company and a delicious frozen delight. It was like a mini car show in the parking lot!

Members found a number of whimsically named ice cream flavors and enjoyed reading the labels which showed the ingredients. There was quite a variety of flavors and names, from the typical, Chocolate, Vanilla Bean, and Butter Pecan to the amusing, Fat Elvis, Exhausted Parent, and Kitty Kitty Bang Bang, to name a few. It was hard to pick a flavor!

We also had two non-member visitors to the event!
