The President's Message

Tom Arvidson - President

December 2022

by Tom Arvidson

NOMINATIONS FOR MEMBER OF THE YEAR AWARD

2022 has brought us many blessings, not the least of which is 29 new members of the North Shore Corvette Club. My hope is that these new members find the same entertainment and camaraderie with a family of new friends as our veteran members.

The benefits of the North Shore Corvette Club are products of the efforts of your fellow members, giving their time energy and skill to provide entertainment and organization to our club.

As recognition for these valuable members, we have the Member of the Year Award to be presented at the Annual Awards Banquet on January 21st, 2023. The Board of Directors is asking for your help in selecting a member who has provided the energy and passion to help the North Shore Corvette Club to be a better organization. Please let us know of any member you think has gone above and beyond in 2022. You can mail or email a statement describing the person and the reasons they are worthy of the Member of the Year Award. You can email this to any Board member or to me at president@northshorecorvetteclub.org.

Our Lifetime Members will collect these nominations and select a winner from the statements and other criteria determined from our selection process.

Please provide your nominations to us before December 21st, 2022 by email or to our mailbox at:

North Shore Corvette Club

P.O. Box 1167

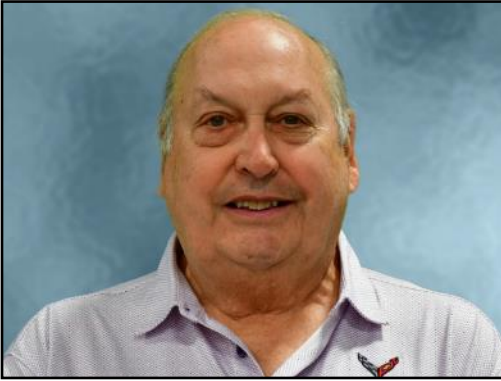

Wheeling, IL 60090

Thank you for your consideration and assistance in selecting the 2022 Member of the Year.

Tom

Letter from the Editor

Jerry Mulick - Publications and
NCM Ambassador

December 2022

by Jerry Mulick

**2023 will mark 50
years for NSCC**

I hope that everyone had a great year and our wish is that next year will even be better for all of our great members and their families. In 2023 our club is planning a number of new activities and events which will be very exciting for everyone.

2023 will be our 50th year celebration of the club. A lot of clubs especially car clubs don't last more than about ten or fifteen years because either the vehicle involved does not last or technology changes so much that interest in the club fails to continue. That has not happened to the Corvette or the members of the NSCC. We can be very proud that we belong to a club that has continued to provide members with new and exciting events and activities thru all these years. That is why we are continuing to get new members joining our club and we always ask our members for new ideas to make the club more interesting.

***REMEMBER OUR MEMBERSHIP MEETING IS DECEMBER 14
AND IT IS OUR SOCIAL WITH GIFT***

**HAPPY HANUKKAH
MERRY CHRISTMAS
AND A VERY HAPPY NEW
YEAR**

Jerry

Safety Tip of the Month

Ken Such - Safety Chairman

December 2022

by Ken Such

Safety at Home for the Holidays

OUTDOOR Decorations - Follow these safety tips when stringing lights. If you use a ladder, position it on a level surface; if necessary, ask a second person to hold the ladder secure. Wear shoes or boots that won't slip. Make sure all of the outdoor lights and extension cords are waterproof and rated for outdoor use and keep connections above ground, snow, and water. Do not use nails or staples to hang lights, use insulated light clips such as plastic.

Maintain a Safe Christmas Tree – If you select a live tree, make sure it is fresh; cut off about 2 inches of the trunk to expose fresh wood for better absorption. With the possibility of a shortage of trees available this year, buying early will mean a longer time indoors so remember to maintain water in the stand. Maintain at least 3 feet from any heat source. Turn off all lights and decorations when going to bed or leaving the house.

Pet Safety – Keep your pets away from mistletoe which is toxic and other poisonous plants like holly berries, Jerusalem cherry, and amaryllis.

Food Poisoning – Refrigerate hot or cold leftovers within two hours of being served. Keep raw meat away from fresh produce. Most leftovers are safe for three or four days when properly refrigerated.

Electric Portable Space Heater - Keep the heater at least 3 feet away from anything that can burn, that includes people. Make sure your heater has an auto shut-off to turn the heater off if it tips over. Check manual if extension cords are allowed otherwise plug directly into wall outlet. They should be turned off and unplugged when leaving the room or going to bed.

Cooking Fires remain the #1 cause of residential fires. Keep the proper fire extinguisher, multipurpose type A-B-C in the kitchen. Keep flammable items away from the stove top.

Most importantly have a safe and happy holiday.

Ken

North Shore Corvette Club Charity Team

Charity Team Vision, Mission and Values

Vision:

To collectively show we care about, volunteer for, and assist where help is needed in our local communities.

Mission:

We of the North Shore Corvette Club Charity Team will work together with our membership body to provide our time and no club funded resources, helping and assisting a variety of local charity organizations who improve the lives of those in need.

Values:

- *Commitment.* We are committed to guiding the membership in caring and rewarding charitable activities.
- *Integrity.* We will carry out all our charity work with responsibility and accountability.
- *Creativity.* We will provide a variety of diverse and fun charitable activities for our member's participation.
- *Service.* It is our honor and privilege to place others before ourselves with our charity activities.

NEWS FROM THE NCM

Upcoming Museum In Motion Events

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky—the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places—including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center and Pratt & Miller.

Upcoming Museum in Motion Events

November 2022 —August 2024

Jan 25, 2023 MIM Daytona Rolex 24 Daytona Speedway

April 27, 2023 Michelin NCM BASH

July 11, 2023 MIM Alaska Cruise

Aug 29-31, 2024 7th National Corvette Caravan to NCM

For more information on MiM events see NCM website.
