The President's Message

July 2023

by Jerry Mulick

Hello NSCC Members

Jerry Mulick, President

Welcome to a great Corvette Summer. With all the club activities available for our members everyone should be really busy for the next month. Starting out we had the two parades and several chances for a social get together at a brewery and a special restaurant.

I will be on a Corvette trip at the time of our July membership meeting and will have a fellow board member Gayle Althardt hosting the meeting. Our special speaker will be our secretary Cordis Storms who just returned from her trip to France; she traveled with the National Corvette Museum MIM (Museum in Motion Trip) for the 24 Hours of Le Mans race. She will be giving an account of the Corvette win. It will be very interesting to hear her account of the race.

I know everyone is getting ready for our big car show on July 23. If you haven't registered for our car show please do so at the next membership meeting. We will have a sign-up table with registration and a work assignment sheet for volunteers.

Please have a safe and fun July with your Corvette and the members of our club. Check the activity sheet in this newsletter so you won't miss out on any of the fun.

Jerry

Letter from the Editor

Rich Stockman—Publications

July 2023

By Rich Stockman

Join us at our July 19th Membership meeting to learn about Autocross.

Please note the Chroma-Vette Photoshoot has been postponed.

Welcome to my second newsletter. I hope you're enjoying the new features, including expansion of the event notices and the addition of a sponsor's page.

We had a busy June. The Club participated in Bloomington Gold and an Autocross event. A night at Tighthouse Brewery was well-attended. In addition to the regular Board and Membership meetings, several other meetings were held. Topics were the Car Show, the new website and the enhancement of our ZOOM meeting technology.

A new, donated computer will help ensure that future meetings will provide a better experience for those of you choosing to attend via ZOOM.

The work on the Car Show is progressing nicely. Of course, more help is always appreciated. If you can give some of your time for setup on the evening of July 22, or for working the show on Saturday, July 23, please contact Barb Harms or Tom Arvidson. Simply email carshow@northshorecorvetteclub.org. And don't forget to register your car.

Progress is being made on the total revamping of the Club website. You may notice some out-of-date info on the current site, and we ask for your patience. The new version will be a welcome update, including a separate version just to provide a better mobile experience.

Please review the What's Happening section of this newsletter. We've posted most of the upcoming events, and you'll notice how full the calendar is. This month's highlights are the Gilmore Museum trip, the Car Show at Lynch Chevrolet Kenosha, an Autocross event, Caffeine and Chrome Cruise-In and Retro Rides at Navy Pier.

And kindly consider sponsoring a Car Show trophy. For a minimum donation of \$25, you can honor a friend or loved one, remember someone you've lost, or just say hello or thank you. Remember, NSCC will be making a charitable contribution with Car Show proceeds.

Richard

Special Announcement

North Shore Corvette Club is extremely proud to announce that our president, **Jerry Mulick (USMC ret.)**, has the distinction of participating in Lake County Honor Flight #22 as an honoree. Jerry will be joined by his son as his LCHF guardian.

Jerry Mulick

LCHF #22 will take place from August 11–13, 2023. Vehicles gather in North Chicago, IL on Friday, August 11th at 4:30 AM to escort the veterans to Milwaukee Mitchell International Airport. The trip, with police escort, begins at 6:00 AM.

NSCC is participating in the return trip from the airport to North Chicago in the afternoon of Sunday, August 13. Please contact the Ullbergs (darylullberg@yahoo.com) for more information about the escort home.

Safety Tip of the Month

Ken Such - Safety Chairman

July 2023

By Ken Such

Summertime Friend or Foe?

It's Summer and as we head outdoors there are things to remember about the outdoor life.

Mosquitos – they can carry some of the worst diseases. You can protect yourself by covering your arms and legs and avoid bright or floral patterns which attract stinging insects. Insect repellents ---DEET can be toxic. Look for repellents with 10 to 30 percent DEET which can be used on exposed skin and clothing. An alternative is products made up with picaridin or oil of lemon eucalyptus and both are non-toxic.

Tick Bites – They live outdoors in grass, trees, shrubs, and leaf piles. They are attracted to people and four-legged pets. Ticks are small blood-sucking bugs with 8 legs. Ticks are often harmless; however, they can cause allergic reactions and can pass diseases onto humans and pets when they bite. Most symptoms of a tick bite will occur within a few days, pain or swelling, a rash, and even difficulty breathing. Be sure to seek medical attention as soon as possible in order to be evaluated. Tick removal can be found on WebMD and other sites.

Poison Ivy, Oak, and Sumac --- The old saying “leaves of three, let it be!” works for ivy and oak, but sumac usually has a cluster of 7-13 leaves. These plants may include red rash, possible bumps, swelling and itching. First Aid -immediately rinse skin with rubbing alcohol, soap (dishwashing or detergent) and lots of water. Apply calamine lotion or hydrocortisone cream to the skin to reduce itching and blistering. In severe cases or rash is on the face seek professional medical attention.

Air Quality – toxic wildfire smoke drifts from Canada into US. This smoke can irritate the eyes, nose, throat and lungs. Air quality updates are a regular routine part of weather forecast. Avoid outdoor exercises and do not rely on a simple dust mask. An N95 respirator mask is good but must fit tightly. Find the correct air filter for your furnace.

SPONSORSHIP OPPORTUNITY

Donations are being collected to benefit the **Pleasant Prairie Police K9 Fund**.

In an effort to bring a more personal touch to the show, the show committee has voted to sell sponsorships of the 35 show trophies. Each award is set at a minimum donation of \$25.00.

Sponsorships may be in the form of a Memorial, an Honor, or a personal or commercial ad.

Some examples are:

In Memory of John Doe, Beloved Husband

In Honor of our Children, (names optional)

Best Wishes from John and Mary Smith

Best Wishes from Acme Butchers, Kenosha, WI

Sponsorships will be publicized in three ways. Each sponsor will be announced when the trophy is presented at the show. Each sponsor will be listed with the name of the trophy winner in the NSCC newsletter. And each sponsor will be listed on the NSCC website along with the winners' names.

Time is short. Kindly consider purchasing a sponsorship as soon as possible. We are limited to the 35 trophies, so reserve your slot today!

Send your sponsorship order (or any questions) to Rich Stockman at richard@rstockman.com. **Checks should be made payable to North Shore Corvette Club**. You may bring your checks to the next Membership meeting or mail to NSCC, PO Box 1167, Wheeling, IL 60090.

Upcoming Museum In Motion Events

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky—the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places—including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center and Pratt & Miller.

Upcoming Museum in Motion Events

BLACKDOG NEWS

Blackdog Racing is back on the GT World Challenge America 2023 circuit, running Chevrolet Camaros. Blackdog had a successful weekend at Virginia International Raceway (VIR) on June 16-18. Tony Gaples, CEO of the Blackdog triad, and team driver, earned a spot on the podium with a third-place finish.

Blackdog will be racing at Road America, a 4-mile, 14-turn track, on the weekend of August 18-20. This will be a great opportunity to show up in support of our 'home team'.

Good luck, guys!

Maxson Restaurant and Riverboat Cruise

Saturday, August 19 4:30 PM

Maxson Riverside Restaurant is a beautiful, historic, riverside restaurant on the Rock River in Oregon, IL. Docked at the Maxson is the Pride of Oregon, an authentic paddle wheel riverboat. She's 102 feet of real river charm, 32 feet wide, and weighs 100 tons. She docks at the historic Maxson Riverside Restaurant and Paddlewheel Inn. Built as a replica of the famous Rosie O'Shea paddlewheel in 1989, her festive exterior and graciously appointed interior provide a relaxing atmosphere for memory-making cruises. She has a capacity of 149 sightseeing passengers.

DINING

We would meet for dinner in the restaurant at 4:30PM. The menu is extensive, including appetizers, sandwiches, and a variety of meat and fish entrees. The fish may be prepared in several different ways. Entrees include soup & salad, vegetable du jour, choice of bake potato, twice bake potato, scalloped potatoes, mashed potatoes, loaded bake potato, house made potato chips, sweet potato fries or French fries. See the full menu at www.maxsons.net .

CRUISE

We would board at 6:30 PM. The boat departs at 7:00 PM and returns to the dock at 9:00 PM. Enjoy the ride as this charming and elegant paddlewheel boat glides down the Rock River, barely stirring a wake. This true paddlewheel boat features a full bar, is climate controlled, and **HANDICAPPED ACCESSIBLE**. The 15-mile round trip river cruise takes passengers past Lowden State Park and under the watchful eye of Chief Blackhawk, the largest concrete monolith in the country. The boat is fully U.S. Coast Guard certified.

Gayle and Ron Althardt's Garden Railroad Open House

15902 Woodbine Circle Vernon Hills, IL 60061 847-494-2568

Date: Sunday & Monday August 20th & 21st 2023

Time: 1:00 – 5:00pm

**1. OUR BACKYARD IS NOT HANDICAP ACCESSIBLE FOR WHEELCHAIRS, WALKERS, ETC.
THE WALKING PATHS ARE UNEVEN AND IT MAY BE DIFFICULT TO WALK AND
MANEUVER.**

2. CHILDREN MUST BE SUPERVISED AT ALL TIMES!!!

We welcome you to our home and Garden Railroad. As you enter the "G & R Railroad", you will be greeted by "Smokey" our carved black bear from Colorado. Just to Smokey's right, you encounter our whimsical Disney and Circus village, outfitted with many of our friends and features from Disney World as well a Ferris wheel and Circus Tent. Mickey would be proud! As you continue through the layout you will see several different villages and period settings surrounded by ponds and waterfalls. The railroad was started in 1999 as a small loop around the choke cherry tree (Now the Crow's Nest). Back then we had the pleasure of meeting Bill Valkner and our Garden Railroad expanded!

Unfortunately, Bill passed away in 2010, but thanks to his inspiration, creativity, expertise, and deep friendship, our yard was transformed into a Garden Railroaders dream come true. The yard and water features (6 ponds, a geyser, and a rock fountain) were constructed using approximately 180 tons of rock and move over 40,000 gallons of water per hour. These water features provide an interesting backdrop to the settings throughout the yard. You'll also note that there are over 1000 annuals with a vast array of perennials that create this colorful garden. Our railroad operates with ten (10) miles of scale track and twelve (12) running G-Scale model trains. The Santa Fe Chief Passenger train (a special section of the Santa Fe Super Chief) circles the perimeter of the backyard, while a long freight train makes its way over bridges crossing the large waterfall moving towards a massive boulder fountain. As the train continues its trek, it moves through a tunnel directly behind the fairy garden. Some of the other areas include farmhouses, barns, and even a sawmill, just to name a few.

Our most recent addition to the layout is the "Big Boy" loop with the Coal Tower and the "Hudson" pulling the "20th Century Ltd." There is the Cheyenne Round House, the Grand Canyon Railroad Station, a coal mine, and a diamond mine (for Gayle). As you stroll through the layout, don't forget to look for all the different animals we have tucked away. They include a moose, raccoons, and bears.

We hope you will enjoy our Garden Railroad as much as we do. Ron & Gayle

SCHAUMBURG BOOMERS BASEBALL & FIREWORKS

SATURDAY, SEPTEMBER 2, 2023

6:00PM

Hi, friends. We all know that summer means baseball. And baseball in Chicago's northwestern suburbs means **Schaumburg Boomers**. So, NSCC is supporting our local team with a group outing to Wintrust Field, home of the Boomers. The Boomers play in the independent Frontier League and have won the league championship three times. Additionally, they have won several divisional titles.

What: Boomers Baseball and Fireworks

When: Saturday, September 2, 2023, game at 6:00 PM, fireworks after the game

Where: Wintrust Field, 1999 S. Springinsguth Rd., Schaumburg, IL 60193

Wintrust Field is easily accessible from IL 390. There is plenty of free, paved parking. Food and beverages are available, and the stadium is handicapped accessible.

Group tickets are \$14.00/person (fees may apply), with a minimum of 20 tickets. As a group, we will receive a welcome on the video scoreboard and over the P.A. system.

Why not join us for a fun-filled evening of baseball and fireworks? Will you catch an autograph before the game? Will you catch a foul ball? Will you show up on the Fan-Cam? Will you run the bases after the game? And this is a great activity for the kids and grandkids.

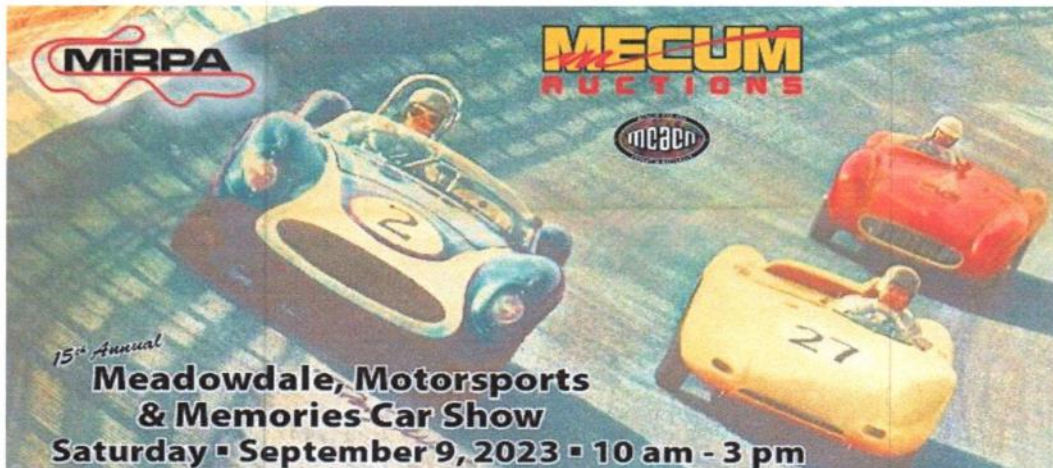

Hosted by Rich & Sue Stockman. RSVP by July 31st to:
