The President's Message

August 2023

by Jerry Mulick

Hello NSCC Members

Jerry Mulick, President

Here we are in August with great weather and with many activities to enjoy. Our car show was completed, and we had 169 entries. It was a great success by all standards. We have a few things we will change for our next car show to make it more successful and run more smoothly.

We have a club picnic coming up and a trip to the Illinois Railway Museum. Next is a trip or IMSA Sportscar Weekend at Road America.

I was honored to be selected to go on the next honor flight with other veterans on August 11 to August 13. Along with this honor I found out I need a new hip replacement with surgery in October. So my attendance at some of our great activities will be limited.

I would advise all members to constantly check our activity sheet at our web site which shows all events which sometimes change, or events are added.

We will continue to make our membership meetings as interesting and informative as possible for all members. We always welcome and appreciate the many comments and suggestions from our members. Every member has a different idea of what should be presented at a general meeting. We want to hear from all of you.

In the next few months several members will be putting together a committee for our 50th Anniversary and Banquet which will be held on January 20, 2024. If you can be on this committee please volunteer. We want to make this Banquet our best.

Jerry

Rich Stockman—Publications

August 2023

By Rich Stockman

Join us at our August 16th Membership Meeting to hear about a club member's trip to France for the 24 heures du Mans (24 Hours of Le Mans).

Welcome to my third newsletter. I hope you're enjoying the new features, including expansion of the event notices and the addition of a sponsor's page.

We were humming with activity in July. There was a well-planned to the Gilmore Car Museum in Hickory Corners, MI. The route included a stop at the Auburn-Cord-Duesenberg Automobile Museum in Auburn, IN.

We had our regular monthly meeting at Blackdog Speed Shop, at which Pat Marcus gave us information about the Windy City Miata Club Autocross events. NSCC participates in those events. The last one was July 16, and the next is scheduled for August 20. These events are held at Wintrust Field in Schaumburg. We also participated in the Caffeine & Chrome Cruise -in at Gateway Classics in Kenosha and Klairmont Kollections' Retro Rides at Navy Pier.

And the biggest event in July, and perhaps for the year, was the NSCC/Lynch Chevrolet All-Chevy Show. Held at Lynch Chevrolet of Kenosha (actually Pleasant Prairie), we attracted 169 wonderful Corvettes and Chevrolets. Thanks to several sources, NSCC was able to make a donation to the Pleasant Prairie Police K-9 Fund. See a recap of the show on page 7 of this newsletter.

We apologize for the difficulties we encountered with ZOOM, and we are working hard to rectify the issues.

Work on the rebuild of the club website continues. The new version will be a welcome update, including a separate version just to provide a better mobile experience.

Remember to review the What's Happening section of this newsletter. We've posted most of the upcoming events, and you'll notice how full the calendar is. Some of this month's highlights are the Family Picnic, the IRM Extravaganza, and the LCHF escorts.

I look forward to seeing you at the August 16th meeting at Blackdog.

Richard

Special Announcement

North Shore Corvette Club is extremely proud to announce that our president, **Jerry Mulick (USMC ret.)**, has the distinction of participating in Lake County Honor Flight (LCHF) #22 as an honoree. Jerry will be joined by his son as his LCHF guardian.

Jerry Mulick

LCHF #22 will take place from August 11–13, 2023. Vehicles gather in North Chicago, IL on Friday, August 11th at 4:30 AM to escort the veterans to Milwaukee Mitchell International Airport. The trip, with police escort, begins at 6:00 AM.

NSCC is participating in the return trip from the airport to North Chicago in the afternoon of Sunday, August 13. Please contact the Ullbergs (darylullberg@yahoo.com) for more information about the escort trips.

Safety Tip of the Month

Ken Such - Safety Chairman

August 2023

Summertime

Drive Right

Tips for Summer Driving

Prepare for warm/hot weather: Inspect your coolant system, check hoses and belts for cracks.

Check your air conditioning system: With temperatures reaching high 90's you need to be comfortable and less stressed on long trips.

Keep an eye on the temperature gauge: Overheating puts your engine at risk of failing. Pull over as soon as possible or consider turning on your car's heater, as it will take some of the heat away from the engine. Watch for construction projects that may have you moving very slow.

Check your Battery: Remember the age of your battery, hot weather is tough on them. Signs of trouble maybe slow cracking on start up and turning on the air conditioning.

Check the weather forecast: Severe storms are common during the summer. Sudden downpours requires your windshield wipers to be in good condition. Even short showers can make the roadway slippery as water mixes with the oil on the road.

General reminders: Check your oil, check tire inflation(good for gas mileage and tire wear), maintain a safety kit and have an emergency repair kit- small tools and duct tape for example.

Ken

OUR CAR SHOW RECAP**

The NSCC/Lynch Chevrolet All-Chevy Show was a rousing success, thanks to the dozens of club members who worked the event, along with the owners of the 169 beautiful cars and trucks who participated in the show. Special mention goes to Tom Arvidson, show committee chair, Barb Harms, who coordinated volunteer assignments, and Kevin Kauppi, who coordinated our dealings with Lynch Chevrolet and other Kenosha area resources. And the show would not have happened without the generosity of Lynch Chevrolet of Kenosha. Thanks to donations, sponsorships and entry fees, NSCC was able to donate over \$700.00 to the Pleasant Prairie (WI) Police K-9 Fund. Listed below you'll find the trophy winners, along with the sponsors and honorees of the various class trophies.

Congratulations to the trophy winners, but all of our participants are winners for sharing their wonderful cars with the public.

NEWS FROM THE NCM

Upcoming Museum In Motion Events

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky—the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places—including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center and Pratt & Miller.

RETRO RIDES EXPERIENCE

PRESENTED BY KLAIRMONT KOLLECTIONS

Event Summary

On July 28-30, 2023, Klaimont Collections (KKAM) held a unique car show in conjunction with Chicago's Navy Pier. The show consisted of many of KKAM's amazing cars, as well as an interesting vehicles from individual owners and a stunning collection from Chicago's Driehaus Museum. The event was supported by KKAM employees, including president Robert Olson, and a full compliment of Navy Pier security. In addition to three days of viewing the beautiful vehicles, we had the pleasure of enjoying the sights of Navy Pier on a lovely summer weekend. And of course there was lunch at the Billy Goat. Cheezborger! Cheezborger! Cheezborger!

Event Summary

DC Cobb Restaurant/Black & Gray Brewery, Spartan Axe Throwing & The Milk House Ice Cream Shop Event Summary July 30, 2023

On July 30, 2023, Susan and Stuart Rabins hosted a multi-event afternoon in East Dundee, Illinois. It started by a last minute caravan from the Rabins' house with a few local residents. The locals drove first to DC Cobb's restaurant, where 14 club members joined us for lunch. There are 2 new couples, who will be joining the NSCC and 2 personal friends of the Rabins, who also are friends with 2 other corvette club members. Customer parking was available for Corvettes owners in the restaurants paved, back lot. Guests were welcomed outside by the Rabins' before being seated indoors for a 1:15 reservation. The wait staff was very efficient, bringing water, beverages including beer from Black & Gray Brewery, and food, in a timely manner on separate checks. The food was very tasty and the service was outstanding.

Some of the group ventured to an axe throwing venue, named Spartan Axe Throwing across the street from the restaurant/brewery. Some people participated in the activity and others were spectators. People enjoyed the event and the staff was very welcoming and offered to take some group photos.

The remaining group decided to drive another 20 minutes to an ice cream shop in Pingree, called The Milk House. The ice cream was homemade with a wide variety of flavors, which were all delicious. Several people ordered flights of ice cream, which consisted of 4 large scoops of your choice. The weather continued to be beautiful, allowing everyone to sit outdoors to eat and visit

A good time, seemingly, was had by all. The Rabins, afterwards, received several texts from members indicating they enjoyed themselves.

Maxson Restaurant and Riverboat Cruise

Saturday, August 19 4:30 PM

Maxson Riverside Restaurant is a beautiful, historic, riverside restaurant on the Rock River in Oregon, IL. Docked at the Maxson is the Pride of Oregon, an authentic paddle wheel riverboat. She's 102 feet of real river charm, 32 feet wide, and weighs 100 tons. She docks at the historic Maxson Riverside Restaurant and Paddlewheel Inn. Built as a replica of the famous Rosie O'Shea paddlewheel in 1989, her festive exterior and graciously appointed interior provide a relaxing atmosphere for memory-making cruises. She has a capacity of 149 sightseeing passengers.

DINING

We would meet for dinner in the restaurant at 4:30PM. The menu is extensive, including appetizers, sandwiches, and a variety of meat and fish entrees. The fish may be prepared in several different ways. Entrees include soup & salad, vegetable du jour, choice of bake potato, twice bake potato, scalloped potatoes, mashed potatoes, loaded bake potato, house made potato chips, sweet potato fries or French fries. See the full menu at www.maxsons.net .

CRUISE

We would board at 6:30 PM. The boat departs at 7:00 PM and returns to the dock at 9:00 PM. Enjoy the ride as this charming and elegant paddlewheel boat glides down the Rock River, barely stirring a wake. This true paddlewheel boat features a full bar, is climate controlled, and **HANDICAPPED ACCESSIBLE**. The 15-mile round trip river cruise takes passengers past Lowden State Park and under the watchful eye of Chief Blackhawk, the largest concrete monolith in the country. The boat is fully U.S. Coast Guard certified.

Gayle and Ron Althardt's Garden Railroad Open House

15902 Woodbine Circle Vernon Hills, IL 60061 847-494-2568

Date: Sunday & Monday August 20th & 21st 2023

Time: 1:00 – 5:00pm

**1. OUR BACKYARD IS NOT HANDICAP ACCESSIBLE FOR WHEELCHAIRS, WALKERS, ETC.
THE WALKING PATHS ARE UNEVEN AND IT MAY BE DIFFICULT TO WALK AND
MANEUVER.**

2. CHILDREN MUST BE SUPERVISED AT ALL TIMES!!!

We welcome you to our home and Garden Railroad. As you enter the "G & R Railroad", you will be greeted by "Smokey" our carved black bear from Colorado. Just to Smokey's right, you encounter our whimsical Disney and Circus village, outfitted with many of our friends and features from Disney World as well a Ferris wheel and Circus Tent. Mickey would be proud! As you continue through the layout you will see several different villages and period settings surrounded by ponds and waterfalls. The railroad was started in 1999 as a small loop around the choke cherry tree (Now the Crow's Nest). Back then we had the pleasure of meeting Bill Valkner and our Garden Railroad expanded!

Unfortunately, Bill passed away in 2010, but thanks to his inspiration, creativity, expertise, and deep friendship, our yard was transformed into a Garden Railroaders dream come true. The yard and water features (6 ponds, a geyser, and a rock fountain) were constructed using approximately 180 tons of rock and move over 40,000 gallons of water per hour. These water features provide an interesting backdrop to the settings throughout the yard. You'll also note that there are over 1000 annuals with a vast array of perennials that create this colorful garden. Our railroad operates with ten (10) miles of scale track and twelve (12) running G-Scale model trains. The Santa Fe Chief Passenger train (a special section of the Santa Fe Super Chief) circles the perimeter of the backyard, while a long freight train makes its way over bridges crossing the large waterfall moving towards a massive boulder fountain. As the train continues its trek, it moves through a tunnel directly behind the fairy garden. Some of the other areas include farmhouses, barns, and even a sawmill, just to name a few.

Our most recent addition to the layout is the "Big Boy" loop with the Coal Tower and the "Hudson" pulling the "20th Century Ltd." There is the Cheyenne Round House, the Grand Canyon Railroad Station, a coal mine, and a diamond mine (for Gayle). As you stroll through the layout, don't forget to look for all the different animals we have tucked away. They include a moose, raccoons, and bears.

We hope you will enjoy our Garden Railroad as much as we do. Ron & Gayle

SCHAUMBURG BOOMERS BASEBALL & FIREWORKS

SATURDAY, SEPTEMBER 2, 2023

6:00PM

Hi, friends. We all know that summer means baseball. And baseball in Chicago's northwestern suburbs means **Schaumburg Boomers**. So, NSCC is supporting our local team with a group outing to Wintrust Field, home of the Boomers. The Boomers play in the independent Frontier League and have won the league championship three times. Additionally, they have won several divisional titles.

What: Boomers Baseball and Fireworks

When: Saturday, September 2, 2023, game at 6:00 PM, fireworks after the game

Where: Wintrust Field, 1999 S. Springinsguth Rd., Schaumburg, IL 60193

Wintrust Field is easily accessible from IL 390. There is plenty of free, paved parking. Food and beverages are available, and the stadium is handicapped accessible.

Group tickets are \$14.00/person (fees may apply), with a minimum of 20 tickets. As a group, we will receive a welcome on the video scoreboard and over the P.A. system.

Why not join us for a fun-filled evening of baseball and fireworks? Will you catch an autograph before the game? Will you catch a foul ball? Will you show up on the Fan-Cam? Will you run the bases after the game? And this is a great activity for the kids and grandkids.

August 2023

Meadowdale, Motorsports & Memories Car Show is an opportunity to see a wide variety of exotic, muscle, vintage, classic, import and custom cars of interest. The show is organized by Midwest Racing Preservation Association (MiRPA).

The show is held on the grounds of Raceway Woods Forest Preserve, which is the site of the old Meadowdale International Raceway. The location is State Route 31, Carpentersville, IL 60110.

Display cars may enter the grounds at 9:00 AM. The show opens to spectators at 10:00 AM and runs until 3:00PM. The award ceremony starts at 2:30 PM. Awards will be presented to vehicles best evoking a passion for automotive excellence.

Vendors will be present as will food and beverage options. Materials about the track's history will be available for review and/or purchase.

There is no charge for spectators! Display car registration is \$25.00 on the day of the event, and there is a discounted price of \$20.00 until Sept. 6th. All registered vehicles will receive a MiRPA Yearbook. Registered cars will enter through the "Silo" entrance to Raceway Woods on Route 31. Follow the signs for Display Car Entrance.

Spectators will park in the lot on Rt. 31. The display field is within walking distance, and there are free golf cart shuttles. This show is a great opportunity for family fun!

(This is a rain or shine event)

This event is hosted for NSCC by Frank Punzio.
