CLUB

I can't help but think that people today would be much happier, if they just drove a Corvette everyday.

Special Announcement

North Shore Corvette Club is extremely proud to announce that our president, **Jerry Mulick (USMC ret.)**, had the distinction of participating in Lake County Honor Flight (LCHF) #22 as an honoree. Jerry was joined by his son as his LCHF guardian.

Jerry Mulick

LCHF #22 will take place from August 11–13, 2023. Vehicles met in North Chicago, IL on Friday, August 11th at 4:30 AM to escort the veterans to Milwaukee Mitchell International Airport.

NSCC participated in the return trip from the airport to North Chicago in the afternoon of Sunday, August 13. The escort trips were hosted for NSCC by Ullbergs.

Congratulations, Jerry

The President's Message

August 2023

by Jerry Mulick

Hello NSCC Members

Jerry Mulick, President

I had the privilege to go on the Honor flight to Washington DC in August and the experience was unbelievable. I want to thank all those NSCC members and families, who came to the airport in Milwaukee and the Memorial Park welcome home reception. It was a very heartwarming experience for me and the other 24 veterans and their guardians to be honored with our Corvette Club. The Honor Flight was truly an unforgettable experience. I am so glad that our club supports Honor Flight especially since I have seen and experienced what they do for the veterans.

Please note that our membership meeting on September 20th will be held at Ferrari Lake Forest. Rick Mancuso, our speaker and host, is one of our original members. The membership meeting in October will be back at Blackdog Speed Shop.

We will be having many great activities between now and the end of the year so keep watching our web site and the activity sheet at the membership meetings.

We have been invited to show our Corvettes at an Oktoberfest Celebration at North Shore Place in Northbrook. Sign up now. See details in this newsletter.

Before some of us put our Corvettes away for the year, review the tips we offer at our web site for storage and attend the Sept. 30th Fall Storage Interior Prep activity held by Susan and Stuart Rabins in Wheeling. Get your Corvette ready for storage.

In October we will be offering a one-day trip up to Wisconsin when the leaves are turning and in November, we will be having a booth and Saturday dinner after the MCACN show in Rosemont. Please mark it down on your calendar.

This will be the 50th Anniversary for our club and the banquet hosts are forming the committees to work on our Banquet for January 20, 2024. If you can help, please join the committee.

Have a great September.

Jerry

Join us at our September 20th Membership Meeting at **Ferrari Lake Forest, located at 990 N Shore Dr, Lake Bluff, IL 60044 . Owner Rick Mancuso will provide an update about the dealership.**

Welcome to the September Vette Gazette. I trust you're enjoying your summer

August was another fun-filled month. Some of the events were the annual Family Picnic, the visit to the Illinois Railway Museum, and an evening at Superdawg.

We had our regular monthly meeting at Blackdog Speed Shop, at which NSCC member Cordis Storms spoke about her trip to Europe and the 24 Hours of Le Mans. The trip was organized by NCM's MIM program.

The annual Family Picnic and Car Show was a great success despite the questionable weather. The event was attended by 33 members and family, with 11 Corvettes on display. There was a wonderful selection of treats supplied by members. The results of the car show were: 1st Place—the Eckerts, 2nd Place—the Karols, and 3rd Place—the Steins. Congratulations, and thanks to all who brought out their beautiful Corvettes. You are all winners in my book! Click [here](#) to view the event summary.

You will note that the 'What's Happening' page has been replaced by Frank's 'Activities Planner', and it's been moved to the beginning of the activity flyers. This should provide you with a better idea of upcoming events.

Some of this month's highlights are the Meadowdale Motorsports and Memories on Sep. 9th and the [Maxson Restaurant and Riverboat](#) on Sep. 23rd..

I look forward to seeing you at the September 20th meeting at Ferrari Lake Forest.

Safety Tip of the Month

Ken Such - Safety Chairman

September 2023

By Ken Such

Tips for Fall Driving

The Fall Season means shorter days and less daylight. When driving in the dark be aware: the risk of a fatal crash is three times greater. Also, depth perception, peripheral vision can be compromised in the dark. Glare or headlights from an oncoming car temporarily blind a driver, look away. Be sure your headlights are aimed correctly. In bright roadways at dusk make sure your headlights are on not your running lights- be seen. Make sure your windshield is clean and wipers are in good condition- summer heat can deteriorate them. Falling leaves can cause slippery driving conditions and disguise potholes. Maintain safe speed and increase distance from vehicle ahead of you. Watch for deer or other animals, who are more likely to run into the roadway during the fall, especially at night. Foggy conditions mean never use high beams and watch for freezing conditions on bridges.

NORTH SHORE CORVETTE CLUB OUR CAR SHOW RECAP

The NSCC/Lynch Chevrolet All-Chevy Show was a rousing success, thanks to the dozens of club members who worked the event, along with the owners of the 159 beautiful cars and trucks who participated in the show. Special mention goes to Tom Arvidson, show committee chair, Barb Harms, who coordinated volunteer assignments, and Kevin Kauppi, who coordinated our dealings with Lynch Chevrolet and other Kenosha area resources. And the show would not have happened without the generosity of Lynch Chevrolet of Kenosha. Thanks to donations, sponsorships and entry fees, NSCC was able to donate \$750.00 to the Pleasant Prairie (WI) Police K-9 Fund. Additional funds were donated by a food vendor. Listed below you'll find the trophy winners, along with the sponsors and honorees of the various class trophies.

Congratulations to the trophy winners, but all of our participants are winners for sharing their wonderful cars with the public.

NEWS FROM THE NCM

Upcoming Museum In Motion Events

The National Corvette Museum is unlike most other museums in the world. Though located in Bowling Green, Kentucky—the Museum is proud to have members from all across the country and even internationally. In an effort to bring the Museum to the enthusiasts, a selection of excursions are offered each year. Branded “Museum in Motion”, the program features tours around the United States as well as Canada England and France. The Museum in Motion events combine the fun of driving, socializing with other Corvette enthusiasts, sightseeing and visiting unique places—including many V.I.P. and behind the scenes opportunities that only the Museum can get you.

Past tours have taken participants into places not usually accessible to the public including Milford Proving Grounds, Consumer Reports Auto Test Division, GM Heritage Center and Pratt & Miller.

BLACKDOG NEWS

Blackdog Speed Shop is the primary sponsor
of the North Shore Corvette Club.

Blackdog was in Nashville on the weekend of August 4-6, 2023 for the Music City Grand Prix street race. Tony and team finished their two races in 6th and 5th respectively, each one position better than their start. More importantly, the car finished in the same condition as it was at the start.

Blackdog was at their home track, Road America, a 4-mile, 14-turn track, on the weekend of August 18-20. Tony just missed the podium, but was credited with the fastest race lap.

Blackdog's next race will be the weekend of September 22-24, 2023 at Sebring (FL) International Raceway. Sebring is a 3.74 mile, 17-turn racetrack. Good luck, guys!

Blackdog has teamed up with Chi-Town Exotic Car Club for a car show mixed with a trunk or treat and touch-a-truck for the kids. All makes and models are welcome. FREE admission for spectators and \$10 entry for show cars. 100% of funds go to Lakes Community High School.

BLACKDOG SPEED SHOP

PRESENTS AN OPPORTUNITY TO OWN A PIECE OF CORVETTE HISTORY

At **Blackdog Performance Cars**, we bring the finest unique vehicles to the market. We are enthusiasts that offer enthusiast cars. Here is your chance to own a piece of Corvette history. Now offered for sale is a 1963 Corvette Z06. One of 199 ever made! The Z06 was offered as an optional package targeted toward customers who were looking for something to take to the track – or command attention on the street. A factory-ready race car and daily driver that was ahead of its time with performance components virtually unheard of in regular production vehicles of that era. Because of the low production numbers and the number of 63' Z06 Corvettes that were lost to crashes at the race track or even just disappeared, any remaining documented examples have become highly collectible

A listing of Blackdog Performance Cars' current inventory of cars for sale may be found [here](#).

RETRO RIDES EXPERIENCE

PRESENTED BY KLAIRMONT KOLLECTIONS

Event Summary

On July 28-30, 2023, Klaimont Collections (KKAM) held a unique car show in conjunction with Chicago's Navy Pier. The show consisted of many of KKAM's amazing cars, as well as an interesting vehicles from individual owners and a stunning collection from Chicago's Driehaus Museum. The event was supported by KKAM employees, including president Robert Olson, and a full compliment of Navy Pier security. In addition to three days of viewing the beautiful vehicles, we had the pleasure of enjoying the sights of Navy Pier on a lovely summer weekend. And of course there was lunch at the Billy Goat. Cheezborger! Cheezborger! Cheezborger!

DC Cobb Restaurant/Black & Gray Brewery, Spartan Axe Throwing & The Milk House Ice Cream Shop Event Summary July 30, 2023

On July 30, 2023, Susan and Stuart Rabins hosted a multi-event afternoon in East Dundee, Illinois. It started by a last minute caravan from the Rabins' house with a few local residents. The locals drove first to DC Cobb's restaurant, where 14 club members joined us for lunch. There are 2 new couples, who will be joining the NSCC and 2 personal friends of the Rabins, who also are friends with 2 other corvette club members. Customer parking was available for Corvettes owners in the restaurants paved, back lot. Guests were welcomed outside by the Rabins' before being seated indoors for a 1:15 reservation. The wait staff was very efficient, bringing water, beverages including beer from Black & Gray Brewery, and food, in a timely manner on separate checks. The food was very tasty and the service was outstanding.

Some of the group ventured to an axe throwing venue, named Spartan Axe Throwing across the street from the restaurant/brewery. Some people participated in the activity and others were spectators. People enjoyed the event and the staff was very welcoming and offered to take some group photos.

The remaining group decided to drive another 20 minutes to an ice cream shop in Pingree, called The Milk House. The ice cream was homemade with a wide variety of flavors, which were all delicious. Several people ordered flights of ice cream, which consisted of 4 large scoops of your choice. The weather continued to be beautiful, allowing everyone to sit outdoors to eat and visit

A good time, seemingly, was had by all. The Rabins, afterwards, received several texts from members indicating they enjoyed themselves.

EVENT SUMMARY

Annual Family Picnic and Car Show

Saturday, August 5th, 2023

1st Place winners

I've said before that God must own a Corvette. The day of the NSCC Annual Picnic, God showed he also has a sense of humor. It was a light drizzly day, all day. But 33 members and friends arrived displaying 11 Corvettes in our Picnic Car Show. Soda, water and snacks were provided by the Picnic team and many side dishes and desserts were brought and devoured. Some brought their own afternoon meals and some tried the great food at Rocco Vino's at the Twin Lakes Clubhouse.

The car show was fierce competition as all attendees selected their favorite car in the show field. And the winners are:

3rd Place Debbie and Larry Stein, 2003 Anniversary Convertible

2nd Place Mark and Jane Karol, 2019 Red Coupe

1st Place Greg and Marie Eckert, 2017 Black Rose Convertible

Thank you to all who braved the rainy weather and still had a great time with friends.

Thank you to the Picnic Committee, Debbie Monnier and Gale Egle. And helpers Frank Punzio and Rich and Sue Stockman as well as all who pitched in to set up, break down and make the rainy day as sunny as it could be.

Illinois Railway Museum Vintage Transportation Extravaganza

EVENT SUMMARY

On August 6th we hosted a visit to the IRM's 32nd annual Vintage Transportation Extravaganza. We were joined by Daniel Laredo and his son Yoav, Glenn and Tara Blum, Tom Arvidson and Debbie Monnier, and Dean Tarkowski and Leslie Norton. Dean exhibited his Top Flite 1966 Corvette in the show. As usual, there were many vintage cars, trucks, buses, and military vehicles, in addition to the Museum's regular collection of spectacular rail stock. We all rode on a variety of trains and trolleys, including a train of old Lackawanna coaches pulled by an amazing steam locomotive.

We hope to repeat this event next year, with even more members joining us.

Rich & Sue Stockman

SUPERDAWG EVENT SUMMARY

On August 17 there was a NSCC Super Cruz-In at the Wheeling Superdawg Drive-in on Milwaukee Avenue. In attendance were 20 Corvettes, 3 metal cars, 29 NSCC members, and 3 guest Corvettes. The guests were impressed with the NSCC Cruz-In activity and all the details about the club. They definitely have potential as future club members.

We would like to thank everyone that joined the group for the scrumptious Superdawg hot dogs and Corvette camaraderie. Fortunately, the weather improved during the day and turned out sunny and cool by 5 o'clock. Overall, the activity was a worthwhile event and was enjoyed by all.

Lastly, we would like to share a little Chicago history of the two Superdawg operations.

It was started in May 1948 by a CPA and a Chicago schoolteacher that wanted to earn money during the summer vacation months. Their original location was at the corner of Milwaukee, Devon, and Nagle.

Throughout the years, many changes have been made. However, the Superdawg hot dog ingredients and 12-foot trademark figures have not changed.

In 2009 ground was broken for a Wheeling sight 11 miles north of the original location. Every effort was made to recreate the same Superdawg feel of the original drive-in. They have made it a tremendous family experience over the years, offering many happy memories.

Over the years owners, their children and grandchildren have adhered to one goal: "always to serve you in a manner that will make you want to return – and bring your friends, and new generations, with you." And they have been very successful doing it.

2023 EVENT SUMMARY

The 2023 edition of Corvettes at Carlisle was held August 24-26, 2023 at the Carlisle Fairgrounds in Carlisle, PA. North Shore Corvette Club was graciously hosted at the event by the Natural Glass Corvette Association (New Jersey), including use of the NGCA club tent. The invitation was extended by Rich and Sue Stockman, who are members of both clubs. Tom Arvidson, Debbie Monnier, Eric Kirchner, Gale Egle and Mark Karol traveled to Pennsylvania for the event.

This year saw a record number of over 3,000 Fun Field cars. The total number of Corvettes in attendance was over 5,000. The event did not disappoint. Debbie was looking for an obscure part for her C-4, and as we expected, she found it at the show. Gale was equally lucky. And Mark purchased some aero parts on Wednesday, even before the show officially opened. He had the goodies installed on Friday. In addition to the swap meet sellers, there were numerous vendors of accessories and parts, including some national and online retailers, and of course, new and used Corvette dealers.

Some of the highlights of the event were the Team Chevrolet tent with several E-Rays and an amazing cut-a-way model of the car, a touching tribute to the late Reeves Callaway, the return of the Corvette American flag, and the inaugural Parade of Club Champions.

Both clubs are heavily focused on gastronomic delights, and Carlisle does not disappoint. There is a food court with a mix of vendors, including our annual favorite, Stoltzfus, with some wonderful Pennsylvania Dutch offerings. There are also many stand-alone food vendors throughout the fairgrounds. We also had our usual group dinners on Thursday and Friday evenings, with over 20 friends each night, and our traditional ice cream shop dessert on Friday.

Thanks to TownePlace Suites in Mechanicsburg for a wonderful problem-free stay. Also thanks to Rustic Tavern of Carlisle and Theo's in Camp Hill for their hospitality. And thanks to all the club members who helped to make this one of our most memorable Carlisle events. It's not too early to start thinking about 2024.

Buffalo Grove Days Cruise-In Car Show

Event Summary

Every year, the Labor Day weekend means the Buffalo Grove Days festival is on. This year was no different, and the Village brought back the popular Cruise-In Car Show. We wanted to go and show as a club, so several NSCC members met on a local street around the corner from the show. We drove over to the event and were able to park as a group. There were a few stragglers who met us at the show.

The club was proudly represented by 21 members showing 15 cars. Dean Tarkowski bought his new acquisition, a C7 Grand Sport purchased from Blackdog. This was the first time he displayed the car.

It was a VERY hot day. Special thanks to Glenn Agrest for his invitation to relax under his tent. We couldn't have enjoyed the day without the shade.

Overall, the show was a nice opportunity for friends to gather with their beautiful cars. There were some truly amazing cars on display. The festival was going on along with the show, and some of us took advantage of the festival-type food and drink. We're hoping Buffalo Grove runs the show again next year.

Anderson Japanese Gardens Review
September 8, 2023

Eight brave soles braved the drizzle and took a scenic drive through the countryside to the Anderson Japanese Gardens in Rockford. Fortuitously, the drizzle stopped by the time we reached Rockford. We are so fortunate to have one of North America's highest quality Japanese gardens so close by.

Terry, our docent, led us through the serene 12 acres of what once was a swampy, cattail filled backyard of John Anderson, a businessman in the Rockford area. Mr. Anderson was inspired to create the gardens after a visit to the Japanese Gardens in Portland, Oregon and hired the designer of that garden, Hoichi Kurisu, to design his backyard. The placement of every rock, alignment of every tree, and layout of all paths have been made with careful consideration by Mr. Kurisu. In 1998, the Anderson's donated the gardens to the Rockford Rotary Charitable Association.

Following our tour, we ate lunch in the Fresco Restaurant on the property. The restaurant had windows which overlooked the beautiful gardens and a fireplace created a cozy, pleasing environment in addition to delicious food.

We ended our day taking a drive to Prairie State Winery in Genoa, Illinois and enjoyed some wine tasting in the tasting room located there. Overall, it was a wonderful day!

I'm looking forward to going back to the gardens to see how they look in different seasons.

15th Annual Meadowdale, Motorsports & Memories Car Show September 9, 2023

For the second year in a row, the weather was absolutely beautiful for a car show and the cars on display did not disappoint. The Corvette Corner was full of all generations of Corvettes. The NCRS was set up under the tents judging cars, including our Member Dean Tarkowski. Dean had his '64 Coupe on hand and Leslie Norton accompanied Dean in the tent with her C-6 coupe.

Bill Zeier was taking in the sights, but I never got to see him, but we did talk on the phone. Somehow we crossed paths and did not even notice each other, probably just studying the cars. The food vendors looked busy all day so I guess that

was a good sign. The people looking at the cars were fantastic and there were many families with their pets enjoying the walk. Take a look at the pictures on our website and get a taste for your self of the days event.

Remember to save the wave, Frank Punzio

EVENT SUMMARY

**CORVETTE
DRAG RACING**

Saturday—September 16, 2023

We met at the Ole Woodfield Sears parking lot, section F4, for the journey to Byron Dragway. The weather looked a bit gloomy, but that didn't mean the event would be doomed. Dean, Leslie and myself took to the road for Byron. Yes, there were bouts of drizzle on the way, but we pushed on anyways to check out the situation when we arrived. When we got there, a little after 9 AM, the place was filled with trailers and cars and no rain, the races were on!

The only disappointment was that there were no North Shore Corvette Club members there to race against. We stuck around spectating till 2:30 PM and departed to our later commitments with others.

The day was quite enjoyable, watching a variety of cars bracket racing. There were some real pro groups that showed the commitment that they put to the sport. The different bracket divisions filtered down to basic cars and trucks, so everyone had their fair competition. No one broke their cars, so there were no delays and the day went smoothly for all the racers and the track was very well maintained and prepped. In fact, Byron now has lights, meaning that it is open well after sunset. Not sure if we will be back there this year, but the new owners are making improvements for a better experience. And with that being said, we were all winners today.

Thanks, Frank Punzio

Maxson Restaurant and Riverboat Cruise

Saturday, September 23, 4:00 PM

Maxson Riverside Restaurant is a beautiful, historic, riverside restaurant on the Rock River in Oregon, IL. Docked at the Maxson is the Pride of Oregon, an authentic paddlewheel riverboat. She's 102 feet of real river charm, 42 feet wide, and weighs 100 tons. She docks at the historic Maxson Riverside Restaurant and Paddlewheel Pier. Built as a replica of the famous Rosie O'Shea paddlewheel in 1989, her festive exterior and spacious appointed interior provide a relaxing atmosphere for memory-making cruises. She has a capacity of 148 sightseeing passengers.

DINING

We would meet for dinner in the restaurant at 4:00 PM. The menu is extensive, including appetizers, sandwiches, and a variety of meat and fish entrees. The fish may be prepared in several different ways. Entrees include soup & salad, vegetable du jour, choice of baked potato, twice baked potato, scalloped potatoes, mashed potatoes, loaded baked potato, house-made potato chips, sweet potato fries, or French fries. See the full menu at www.maxsons.net.

CRUISE

We would board at 5:30 PM. The boat departs at 6:00 PM and returns to the dock at 8:00 PM. Enjoy the ride as this charming and elegant paddlewheel boat glides down the Rock River, barely stirring a wake. This true paddlewheel boat features a full bar, is climate controlled, and **HANDICAPPED ACCESSIBLE**. The 15-mile round-trip river cruise takes passengers past Lowden State Park and under the watchful eye of Chief Blackhawk, the largest concrete monolith in the country. The boat is fully U.S. Coast Guard certified.

SATURDAY

October 21, 2023

8am to 4:30pm

Join your Corvette friends and enthusiasts on Saturday, October 21, 2023 at Blackhawk Farms Raceway for our annual Corvette Oktoberfest.

Our track day will consist of three different groups, from the novice up to the experienced driver. Beginners will receive classroom time, as well as instruction from our highly qualified team of instructors. Instructors will teach you the basics of track driving, how to navigate through turns, and how to become an even better driver.

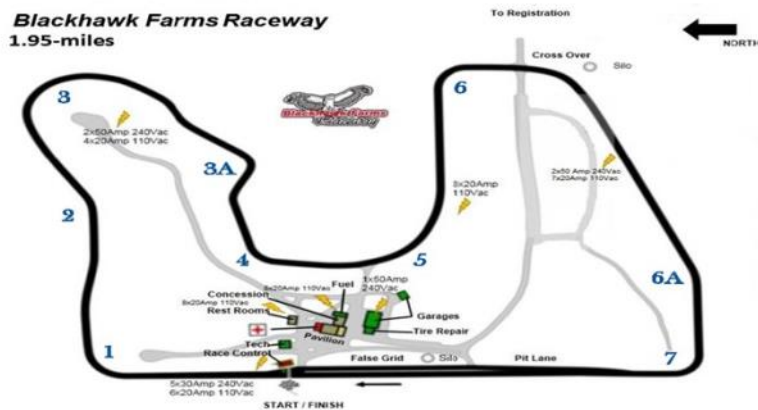

Registration is open to all C3 – C8 Corvettes that meet our technical guidelines. Please note: this track day is for street legal, street licensed Corvettes only.

If your Corvette is a convertible, you may participate in our novice group. If your convertible has fixed hoops or a roll bar, you may participate in any of the levels based on your experience.

Perhaps you are interested in one or more touring sessions? This will be a speed controlled and pace car lead opportunity to drive your car on track (all makes and models welcome for our touring groups – helmets are not required.) There will be multiple touring sessions throughout the day. The cost is \$25 per session and sign up is on the day of the event only.

ChromaVette Photoshoot & Lunch

Saturday, October 28, 2023 11:00 AM @ Perfect Soundz Speed Shop

Was Courtney Hanson really standing next to Susan’s Corvette? Was a Corvette really placed in a snow globe? Did we drive a Corvette on a black mirror surface? No, no, no! But your favorite TV weatherperson isn’t really in front of a weather map, either. What you see is done with the magic of **Chromakey** photography. A subject is photographed in front of a green screen, and then a different background is substituted for the green one. Just like magic! And it works with almost anything if you have a large enough screen.

So, here’s your chance to put your Corvette somewhere you’ll never drive it. NSCC is holding a ChromaVette Photoshoot on October 28th, **at Perfect Soundz Speed Shop, 1090 E. Park Ave., Libertyville**. Drive your car onto our large green screen and we’ll do the rest. You can be in the car, near the car, or out of the picture. We can even put you ON the car (normally a no no!) And we’ll even take your picture without the car. And feel free to bring whatever you drive.

All you have to do is show up with your car(s). Although not required, a nominal donation to Lambs Farm (<https://lambsfarm.org>) would be appreciated. Digital photos will be available for download, and prints will be available for purchase.

Perfect Soundz has graciously offered to provide space for lunch inside their facility. We will try to arrange for food truck service.

Kindly RSVP by October 7, 2023 to Rich Stockman at richard@rstockman.com

OUR 13TH YEAR

DRIVE to Support the Kids of St. Jude

MISSION STATEMENT

The St. Jude Corvette Drive is an annual charity event benefitting St. Jude Children's Research Hospital in Memphis, TN.

Since 2012, the St. Jude Corvette Drive has furthered the lifesaving mission of St. Jude Children's Research Hospital. As of 2023, the total raised since 2012 is over \$2,260,000, with over \$340,000 raised in 2023!

Adalyn's Story

As a kindergartener, Adalyn was having stomachaches that came and went but didn't slow her down. But then she started having episodes of severe pain. In January 2022, during one of these, her mother took her to the emergency room where doctors found a large mass above her right kidney.

"We went in thinking it was constipation, and came out finding out she had cancer," said her mom. "We did not know anything about neuroblastoma. We'd never heard of it. That was a new word for us," said Adalyn's dad. And Adalyn's neuroblastoma was classed as high-risk and stage 4. It was a deeply scary time.

After surgery to remove the tumor at a hospital near home, Adalyn was referred to St. Jude Children's Research Hospital®. Both her grandmothers had supported St. Jude for decades as monthly donors and saw the referral as a sign of hope.

At St. Jude, Adalyn's treatment has included chemotherapy, two stem cell transplants, proton therapy and antibody therapy, and will last about 18 months.

Adalyn, the only girl in the family, lights up when talking about her brothers and her cousin. She loves playing tag and hide and seek, and arts and crafts.

"She's doing great," said her mom. "You wouldn't think she was ever sick."

Families never receive a bill from St. Jude for treatment, travel, housing or food—so they can focus on helping their child live. Because all a family should worry about is helping their child live. The support of donors gives St. Jude the freedom to focus on what matters most – saving children regardless of their financial situation. When St. Jude opened in 1962, childhood cancer was considered incurable. Through years of pioneering research and discovery, St. Jude has helped push childhood cancer survival rates to 80 percent. We won't stop until no child dies from cancer.

Join the Corvettes of the St. Jude Drive as they travel to Memphis, TN for the 13th Annual St. Jude Drive. Enjoy the opportunity to drive through campus and to hear the amazing work being done at St. Jude. **Our major sponsors are:**

Corvettes at Carlisle 2024

August 22-24, 2024

Carlisle Fairgrounds, Carlisle, PA

Corvettes at Carlisle is the largest and most fun-filled Corvette show in the world. The annual event, which was first held in 1982, features thousands of Corvettes representing all generations of America's classic sports car. Guests enthusiastically flock to this event to view the cars and participate in autocross, exhaust contests, seminars and much more. The excitement continues with an amazing shopping experience, including a huge automotive flea market and many local and national retailers, and the Manufactures Midway. You can find your next Corvette at the all-Corvette car corral. Bring your Corvette or walk around and view the incredible variety of cars on display on the Fun Field. Corvettes at Carlisle spotlights all aspects of the Corvette hobby, from 1953 to the latest C8s. In 2023, Team Chevrolet had a display of several e-Rays, including an amazing cut-a-way car. And there is no shortage of great food and drink. You can enjoy breakfast, lunch, ice cream and desserts, and a variety of beverages.

The Stockmans, who are members of NSCC as well as Natural Glass Corvette Association (Northern NJ), organize a block of hotel rooms and group dinners for NGCA, which is an officially recognized Corvettes at Carlisle club. NGCA has cordially invited members of NSCC to join in all the NGCA events, including use of the club's official tent on the Fun Field and adjacent parking.

This is an event not to be missed by Corvette owners or enthusiasts. And the Fairgrounds are only minutes away from Pennsylvania's Amish County, Gettysburg and Harrisburg. And Hersheypark is less than an hour away.

Contact Rich Stockman at (224) 548-9584 or richard@rstockman.com, or Sue Stockman at (224) 548-9636 for more information.
