

ROAD AMERICA EVENT SATURDAY, AUGUST 4TH

The Continental Road Race Showcase takes over Road America's 4-mile circuit for what will be the most incredible weekend of sports car racing in the world. Fans will get to see the Continental Tire Sports Car Challenge race on Saturday, plus races from the IMSA Porsche GT3 Cup Challenge USA. Fan activities include an open grid, autographs, tech talks, fan forums, and car corrals.

JOIN your fellow NSCC members in an incredible day of racing! John and Nancy Jakubco are hosting this club event. Drive up to Road America in Elkhart Lake, WI (two hours from Libertyville Chevrolet) and meet us in the special Corvette Corral parking area by Turn 3. The Corvette Corral is sponsored by Kettle Moraine Corvette Club. They hold forums throughout the day, have raffles and offer free snacks and beverages. Nancy and I plan to arrive approximately 9am. We will start the day watching the practice runs and racing from the area just in front of the Corral. You are free to walk/drive to any turn throughout the day to get different views of the races. Bring camp chairs and any food or beverages you choose to bring in with you. Alcohol is also permitted. There are concession stands everywhere as well if you choose to purchase breakfast, lunch, snacks and drinks rather than pack a cooler.

Tickets are available online at www.roadamerica.com and are \$50 per person until July 25th, \$70 pp after. Children under 16 are free with a paying adult.
