It is presented in a way which educates guests on the history of fragrance from Europe to America. A Parisian Street, an authentic 1890 American General Store, and an exquisite Art Deco room displays the majority of the Collection.

Following our tour in the residence, including the Fragrance Gallery, we will make our way down the driveway to the Pavilion where we will continue our tour which will include a Steam Locomotive, Pullman car, a number of elaborate orchestrions and a ride on the famous “1890 French Salon Carousel”!
