**From Chicago**

Drive northwest on the Kennedy Expressway and the NW Tollway (I-90) to the Barrington Rd. exit. Go right (north) on Barrington Rd. through downtown Barrington, to Northwest Highway (US-14). Go left (northwest) on Northwest Hwy. to the third traffic light which will be Plum Tree Rd. At that intersection Plum Tree Rd. will be on your left and Kelsey Rd. will be on your right. Turn left off of NW Highway and onto Plum Tree Rd. As soon as you have cleared the tracks you jog to the right. You should now be going west on Plum Tree Rd. You will go through one stop sign and up over a slight hill. As you go down the other side, start watching on the left side of the road for a yellow, triangular sign that says "No Passing Zone." The driveway is approx. 25 feet beyond that sign on your left. There is a large gate with 789 on the posts. Turn into the drive and follow it to the house.
