

NORTH SHORE CORVETTE CLUB

SHARKFEST

AUGUST 30, 2022

This year's Sharkfest went without a bite, even though there were plenty of "Sharks" circling the parking lot. Tommy Sherrick and I were the only Club survivors at the event, but there were many, many more other people in attendance. The weather was perfect along the Fox River, VFW venue. The

DJ was playing car themed music and gave out the awards at the end. The VFW seemed like the go-to place in town, with a bar and restaurant seating area in it's air-conditioned venue. The menu for the day offered a wide range of food items.

There were a good variety of all generations of Corvettes, from a C-1 to a C-8. Many of the NCRS, Illinois chapter members were on hand also, with their vast knowledge of Corvettes. To be in the show and get judged, there was

a \$20 fee and to just be in the show, any donation to the VFW was accepted. The winner of the 50/50 raffle donated his \$150 winnings back to the VFW, of which they were very happy and shocked.

Over all it was a fun day and was good to see some old friends. In the mean time, watch out for them "Sharks".
