

*October 8th and 15th, 2018*

Twelve of our members and I volunteered at the *Sparrow's Nest Thrift Store* in Mundelein and at their store in Third Lake. We were there to set up for Christmas.

We did everything from setting up displays, decorating, placing Christmas items out for sales and set-up Christmas trees and lights. We were lucky to have our lunch catered from Jason's Deli in Mundelein and from Erik, the owner at Bill's Pizza Pub North in Third Lake. They treated us to salad and pizza. Thank you for volunteering with me at Sparrow's!

The revenue from the seven Sparrow's Nest Thrift Stores in Illinois provides shelter for homeless women and children.
