

To the North Shore Corvette Club,

On behalf of the Third Lake Sparrow's Nest and Home of the Sparrow's Nest, I wanted to thank your organization for the members who came to volunteer at our store on Monday, October 18th, for our Christmas Transformation.

This partnership was started by our volunteer, your member Debbie Stein. Debbie speaks nothing but praise about your club. She is all smiles after every car show and always offers to partner up with your club. Debbie is one of our most valued and dependable volunteers. She is one of our committed volunteers and that's not including the fact that she also volunteers at our Mundelein store.

For the second year in a row, your members have been extremely helpful to our store. Whether its help testing and setting up Christmas trees to merchandising Christmas items to help with the cleanup process; they are a major asset, and make the process a lot more simplified.

If there is anything we can do to return the favor, please contact me without hesitation. Once again, thank you guys so much!
