

# St. Catherine Commons Car Show

## September 13, 2018

"St Catherine Commons presented their 3rd Annual Car Show on Thursday, September 13th on their campus overlooking Lake Michigan. With over 180 apartments and villas, the residents were able to meet the car owners and reminisce of personal experiences and stories still vivid in their hearts. We had 7 Corvettes along with other oldies...and a Tesla that many enjoyed. From hot dogs, chips, drinks to Raffle baskets showing off the competition between the Cheese Heads and Da Bears, there was great fellowship. St Catherine Commons appreciated everyone that came out and showed support to raise money for Alzheimer's . A very warm and sincere thank you to each of you!!!" See all [pictures](#).

Tony's Peoples Choice Award

Tony Pntillo won the Peoples Choice Award
