Please bring this flyer to either Superdawg location during the week of 7/28 to 8/3 and Superdawg will donate 20 percent of your order to the family of Jessica Colucci. Jessica is a 12 year old girl who was diagnosed with Acute Myeloid Leukemia. Jessica is currently undergoing extensive chemotherapy and blood transfusions to battle this disease. Each year only 500 or so children are diagnosed with this form of cancer.

Superdawg will accept both copies and originals of this flyer.
