The 16th annual VA Car Show for Veterans at the VA Hospital in North Chicago was held this past Saturday, September 7th. The weather was perfect for both cars and spectators. Before the show, some of us gathered at the Full Moon Restaurant for breakfast and conversation. We had 14 club Corvettes, and thanks to Jim & Linda Kleinschmidt and Jim's mother, Marge, two metal cars. Also, 4 or 5 non-club Corvettes showed up. Our host, the Director of Community Affairs, Mr Ken List, thanked us for supporting the show for the past 16 years. Thanks to everyone who came out to support NSCC and our Veterans.
