A [Wisconsin Supper Club](#) is an independently owned, fine-dining destination restaurant, typically in a picturesque locale on the edge of town. Each one has it's own unique style and are known for their brandy old-fashioned drinks. We will meet at the Lake Forest Oasis at 3:45 PM and leave by 4:00 PM. Please let me know if you will be attending. The reservation is for 5:30 PM. I need to get a final headcount by Saturday, September 7th. If you choose to meet us there, let me know. Bring your FRS radios, tuned to channel **4.27**.
